Blue Program

Hello and welcome aboard!

Bienvenue au « Blue Program » du Bus Anglais.

Voici quelques informations et instructions afin que votre enfant puisse profiter au maximum de ses ateliers d'anglais cette année.

Les ateliers

Nos ateliers sont animés par un professeur natif du Bus Anglais. Elle est formée et équipée par nos soins et elle est soutenue tout au long de l'année par la responsable des professeurs, notre « Head Teacher ».

La méthode

Notre méthode consiste à utiliser plusieurs procédés ludiques pour introduire le vocabulaire, la bonne reproduction des sons et des tonalités ainsi que l'appropriation de la langue anglaise tout simplement. Il s'agit notamment de chansons, histoires, jeux et activités sur papier.

Le program

Ce program a pour but de faire baigner les enfants dans la langue anglaise de manière joyeuse et entraînante. Le contenu est accessible et authentique.

Communication

Si vous avez la moindre question, n'hésitez pas à nous contacter sur direction@lebusanglais.com

Au plaisir d'être votre partenaire sur ce chemin de l'anglais pour votre enfant,

Toute l'équipe du Bus Anglais
